Langley Green Primary School

Behaviour Policy

PRINCIPLES

We expect **all** staff working at Langley Green Primary School to actively promote and continually model our five key principles in their everyday work no matter what their role in the school.

- Our five values, Working together, Friendship, Independence, Respect and Excellence are at the heart of our work.
- The high priority given to reading and love of literature is not a narrowing of the curriculum but the key to children's success in all subjects. In all lessons we expect to see a focus on reading.
- Vocabulary work is especially key for our pupils and is a major focus in all lessons supported by visual materials wherever possible. All staff play a key role in developing vocabulary. (See below*)
- Co-operative learning underpins work in every curriculum subject.
- We place high emphasis on oracy. All adults are expected to be an excellent role model and provide sentence stems for pupils. All pupils are expected to give answers in full sentences. (See below*)

*We strongly believe that all staff working in our school need to understand that the development of children's spoken language underpins all learning and everyone in school plays a crucial part in this.

Children's back-and-forth interactions from an early age form the foundations for language and cognitive development. The number and quality of the conversations children have with adults and peers throughout the day in a language-rich environment is crucial. By commenting on what children are interested in or doing, and echoing back what they say with new vocabulary added staff will build children's language effectively.

INTRODUCTION

All members of Langley Green Primary School have a right to work in a calm, purposeful and safe environment.

Our behaviour policy enables teachers to teach, children to learn and all members of staff to carry out their duties within, and adhering to, the vision, ethos and aims of the school. It focuses on developing behaviours to support children's learning and ensures everybody is safe.

The behaviour policy is built around encouraging and nurturing the children to become independent learners. All children will be taught the skills, behaviours and attitudes they need to become confident learners that are able to successfully participate in independent and group activities. All staff will model excellent behaviours for learning.

There is no place for violence, bullying, harassment (racial or sexual), vandalism, rudeness or bad language in our school community.

Any racist incident must be reported immediately to the Headteacher.

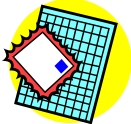

PRINCIPLES

- The behaviour rewards and consequences laid out in this policy should be consistent throughout the school and **must** be followed by everyone.
- The behaviour policy extends to clubs and off site visits.
- High expectations of behaviour are expected from **all** pupils and staff.(Read in conjunction with the Code of Conduct for staff)

Our primary school approach is to praise children as much as possible and recognise and reward good behaviour.

Encouraging Good Behaviour around the school - Conduct behaviours

Every fortnight there will be a different conduct behaviour focus for around the school. The **conduct behaviour focus** will be displayed around the school, on the website and on the staffroom board.

Pre printed stickers to reward this behaviour will be made available to **all** staff. We expect all staff to highlight and reward children demonstrating these behaviours. Behaviours will be revisited at regular intervals. See Behaviour Focus Planner. **(Appendix 1)**

Classroom Management Signals

Each teaching area will display the Classroom Management Signals poster. These signals will be used in all classrooms and be consistent across the school. If pupils need to ask for the toilet during lesson time they will use the 'T' sign in a discrete manner. **(Appendix 2)**.

Cooperative Learning Standards

Children will be grouped into teams in all SFA, Maths and Curriculum lessons. They will be rewarded points for following the five cooperative Learning Behaviours (Active Listening, Help and Encourage Others, Explain your Ideas, Everyone Participates, Complete Tasks). All staff are responsible for encouraging children to follow the standards and rewarding points. All staff will display the team names and have the points displayed on the table using the correct points sheet (Yellow SFA, Blue Maths, Green Curriculum.)

(Appendix 3)

The EYFS will award coloured balls in jars. (One jar for each behaviour.) 'Balls' can be awarded to individuals, pairs, groups or the whole class.

In Nursery the class will focus on one learning behaviour per half term and add a new behaviour each half term, building up to all five by the end of the academic year.

Behaviour Management Procedures

The Sun and Cloud system is used to promote positive behaviour for all children. The expectation is that all children start the week on the sun. Children's names should be moved up to the golden sun to reward positive behaviour and down as a consequence for unacceptable behaviour. Children should always receive a verbal warning before their peg is moved down.

Stage 1 The child is warned that they may have to move their peg and reminded of how they should be behaving. This can be visually displayed on the whiteboard using the unhappy face.

Stage 2 If a second reminder is given, the child's peg will be moved to the grey cloud. A third reminder and the child's peg is moved on to the black cloud. This will result in the child losing part of their golden time.

Stage 3 If the behaviour continues the child will lose all of their golden time.

UNACCEPTABLE BEHAVIOUR

The majority of unacceptable behaviour will be addressed through the sun and cloud system by the class teacher.

The names of any children on the black cloud at the end of the week must be included on the weekly behaviour email.

If any unacceptable behaviour occurs at any time during the school day which cannot be dealt with by the class teacher the Deputy Head for behaviour should be called for and will respond accordingly.

If deemed appropriate, a child may be placed on a Behaviour Chart or Plan or Report Card. This course of action will be decided by the DHT for behaviour and parents will be informed.

The names of any children on Behaviour Charts will be displayed in the staff room so that all adults in the school can support this.

Individual Behaviour Plans will be drawn up for pupils who persist in displaying unacceptable behaviour and specific support and/or rewards may be used to support the improvement of their behaviour.

TEAM TEACH - Positive handling

De-escalation and a positive approach to managing behaviour is our primary strategy. Although it is every adult's duty to ensure the safety of the children in their care, physical intervention is not expected unless a child is at risk of hurting themselves or others.

(See Code of Conduct/ Positive Handling Policy and Use of reasonable force in schools (Updated 2019))

We have a number of Team Teach trained staff to support if required.

Names of all Team Teach trained staff are displayed around the school. **(Appendix 4)**

EXCLUSION OF PUPILS

Exclusion of pupils may be required in extreme cases or as a last resort. Exclusions may be of a fixed term or a permanent duration.

The power to exclude a child can only be exercised by the Head Teacher, who will follow LA and Government guidance.

MONITORING AND EVALUATION

- All records concerning bullying, racist incidents, violent incidents, questionnaires, internal monitoring, relevant sections of OfSTED reports and staff training will inform the evaluation process.
- Regular monitoring of incidents on SIMS will take place and necessary actions taken.
- Pupil's behaviour will be monitored through SIMS and reviewed termly. Governors receive summary information on a termly basis.
- This policy will be evaluated and reviewed annually by senior staff.

Staff should also refer to the Equalities Policy.

Appendix 1 - Conduct Behaviour Focus

Each conduct behaviour will be the focus for 2 consecutive weeks. However it does not mean that other aspects of learning or conduct should be ignored. Please continue to praise these at all times.

ALL school staff are expected to reward this behaviour. Stickers are available in the staffroom.
